**TO:** United States Patent and Trademark Office  
Before the Trademark Trial & Appeals Board

**FROM:** The Darlington Apple Festival, LLC (TDAF LLC)  
4539 Conowingo Road  
Darlington, MD 21034

**DATE:** 26 June 2012

**SUBJECT:** Cancellation No. 92053945

Please understand my decision not to grant an extension to the petitioner's motion to extend **ALL DATES** regarding this case number. This request is considered **open ended** and a perpetual delay of a fair evaluation of their complaint against The Darlington Apple Festival LLC (TDAF LLC). I'm not even sure who the person/persons are that this out of state law firm represents. It's considered unprofessional not to be prepared at this time against the TDAF LLC and me a common citizen.

From day one, I represented TDAF LLC as none confrontational to a questionable Not-for-Profit business corporation. Only to have TDAF LLC sponsors, organizers, advertisers, vendors and contributors contacted and intimidated with legal actions for the use of the name TDAF LLC. Not to mention personal attacks of character in public, on the WWW and implying a de-fraudulent practice while representing TDAF LLC. At one point racial overtones were expressed when one person stated, "what do you think you're doing . . .".

At what point will these attacks end and allow TDAF LLC to continue with the effort to educate and assist those affected by cancer. This is not just a flowery sentence. My own wife died of cancer and I am humbly sincere to this cause.
